We’ve officially changed our name from Waypoint Center to Waypoint Ministry to better reflect our mission. We remain dedicated to our mission of serving the Lord as we help men find freedom from the chains of addiction.

Message from Chris Gillhouse

It’s has been too long since our last newsletter. We have closed out 2014 with some changes within our industries. First, David Cook has moved from lead at the thrift to head of marketing and public relations. He will also head up our fundraising events and other celebrations. We are hopeful that this exciting change will allow us to share Waypoint with several additional churches and ministries to increase assistance to more men and their families.

Caleb Barth and Tim Bunch will be working with David. Rick Lovell is currently in charge of the thrift store. We are anxious to see Rick’s hard work pay off at his new position. Next, Austin Burger is the new lead of our e-Bay department and is excited about the anticipated potential ahead.

The past year has been exciting and somewhat exhausting with the move and extensive renovations made to the new property. Still, God continues to bless us and we are eager to be a part of His plans this year at Waypoint. I want to thank all of you for being a part of what we do at Waypoint and for all your prayers and support. As always, please feel free to contact me with any questions or suggestions. God Bless.
Message from Will Livingston

At the beginning of 2014, we moved to the new location, consecrated, and started fresh on virgin property. We gained the capacity to go to 28 men without adding new buildings and have come very close to that number numerous times. It seems as we come close there is movement in the body and we move away from 28, then right back to 28, always teetering on the line of needing to expand to a new building. While it is exciting to teeter, we know that one day we will reach that number and beyond. Your support and prayers are needed and appreciated as Waypoint grows into the ministry that the Lord is developing it to be. As it is a privilege to be a part of the growth in 2014, I am glad to bring on 2015! I am looking forward to spending this year with you all.

Georgia Men’s Advance Conference at Rock Eagle 1/24-25/2015

Waypoint was blessed to spend a weekend at Rock Eagle during the Georgia Men’s Advance Conference. The Lord truly spoke to the men, and we were able to see lives change. Several men gave their lives to the Lord during this event and others deepened the relationship they have. We were able to enjoy many different speakers, including Dr. Mark Rutland. Many people went up front to receive the baptism of the Holy Spirit. After a great weekend, and heading home we dined on Chinese cuisine. It was a perfect ending to a brilliant weekend.

Waypoint Graduation 1/18/2015

We’re glad to announce two graduates of our 12-month regeneration program. Tim and Dean have found a relationship with the Lord and plan to further that relationship. Both have decided to stay on another year to take the SLT program and help out the ministry in any way they can. May God bless both of you as you continue your journey with Him.
The Waypoint Thrift Store

The Waypoint thrift store is a vital part of our ministry. Not only does it teach the men good work ethics and how to apply relational and job skills in a Christ-centered environment, but it also provides vital funding for our ministry. Our thrift is located in Murrayville at 5636 Thompson Bridge Rd, 30564. We are open 11:00 – 5:30 Mon, Tues, Thur, Fri, Wed 11:00 – 4:00, and Sat from 8:30-5:30. Please contact us at (770) 538-7324.

A New Day Dawns for Inner Healing

This past Inner Healing class consisted of three people. The pictures show our trip up Preacher’s Rock that marks the end of the class. After class the teachers and men make the hike to watch the sunrise. The men then have a quiet time with the Lord on the rock face. Upon reaching the end of the hike, the men are treated to a hearty breakfast at a local restaurant. This is a huge turning point in these men’s lives and it is a blessing to be able to watch them change.
Numerous families came together to support our men over Christmas. They showed our men the love of Christ by having a dinner with them, along with buying them presents for Christmas. This is always a wonderful time to see the men interact and feel love from members of the body of Christ outside of Waypoint. Equally, it is a blessing for the men and women supporting the men to see the Lord work through and in the men's lives.
